Newsletter — Term 1 week 10 2018

Dear Families,

It's hard to believe that we are approaching the end of term 1! It has been wonderful getting to know you all and spending time with the children.

Next term is going to be even busier with many more activities planned, such as photo day, dental health checks, guide dog visits, Animal Capers, Dance-A-Thon and more! We will also have a kindy closure day on Tuesday 12th June in week 7. More information about these events will be provided next term. We have been able to secure a date for the Guide Dog visit in the Dolphin Group, however we are still working on the availability of a speaker to come in for the Starfish Group.

A reminder to please check the lost property box if your child has lost any belongings before we go on holidays. Sun safety still applies for term 2 until the UV index is below 3.

Save the dates!
